Experimental Airplane Association Cruise and Pancake Breakfast

The pleasing aroma of breakfast pancakes encircled Placerville and drifted to Sacramento. Region 4 members could not resist the pleasing aroma of pancakes.

We met at Brookfield's, jumped in our fords and cruised to the Placerville experimental airport, where we enjoyed pancakes, sausages, eggs, fruit, coffee and juice.

After eating we walked over to see the experimental airplanes and took pictures of the airplanes and the Early Fords

Fellowship has always been fun with the Placerville group. (Pictures) Sacramento Club or the Placerville Club who's having the most fun?
